

MAKE YOUR DRIVE TO ZERO EASY WITH OUR ONE STOP SOLUTION.

Are you looking to make your switch to electric a hassle-free experience for both you and your drivers?

We have you and your drivers covered with an all-in-one electric vehicle and home charging bundle available on Northgate 12months+ hire.

Our consultative approach means we'll always be here to offer end-to-end support throughout the lifetime of the rental, plus our home charger comes with a 5-year warranty with service and maintenance as standard so you'll have the confidence you're covered from the start.

Key Features and Benefits

Improved cash flow

There's no upfront costs just one simple regular payment* over the term of your hire.

Hassle-free installations

Our in-house supplier, ChargedEV has managed and installed over 30,000 domestic charge points - giving you confidence you'll receive a quality installation service.

Ultimate flexibility

We'll provide you with an easy-to-use tried and tested charger, with the ability to simply relocate it elsewhere if your driver's move house or business needs change.**

End-to-end support

As well as providing ongoing service and maintenance for both vehicles and chargers, we'll ensure you and your driver are comfortable with how everything works with our complimentary Northgate EV training.

*Terms and conditions apply, costs may vary depending on the hire term.

**Charges may apply to de-install the charger or move the chargers location.
