

Our 2022 Gender Pay Gap Report

Northgate is committed to ensuring our workplace rewards everyone fairly for their efforts no matter what background, race or ethnicity, with men and women paid equally for equivalent roles across our business. Our gender pay gap reporting is strongly influenced by several roles where we employ significant numbers of people, but our aim is to provide an inclusive workplace and opportunities for all colleagues to develop their full potential.

Pay Quartiles

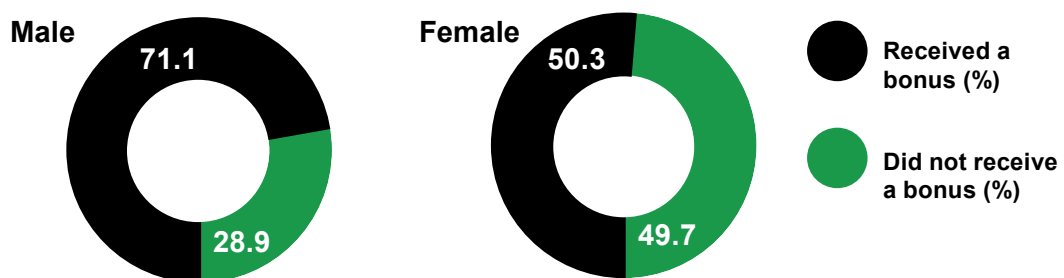

Pay and Bonus Gap

Difference between men and women

	Mean	Median
Pay	1.8%	12.8%
Bonus	4.8%	(5.3%)

The table above shows the overall Northgate mean and median gender pay gap based on hourly rates of pay for the 'pay period' including the 5th April 2022. It also shows the mean and median difference between bonuses paid for performance during the year up to 5th April 2022 to men and women in the same period.

Proportion of Colleagues Awarded a Bonus

All UK companies with over 250 employees must provide information about remuneration of employees by gender.

Based on data for the 12 month period to 15 April 2022
