

**SAVE ON AVERAGE 9.7P
PER LITRE OFF ESSO FUEL.***

Northgate have teamed up with leading fuel card provider, WEX to offer our customers competitive prices on their fuel.

As a valued Northgate customer, you can apply for a FREE Esso Card™ fuel card (making an annual saving of £43 per card per year) you'll also save on average 9.7p off per litre at Esso fuel stations, and a fixed saving of 0.4p* from Shell and BP.

You'll benefit from an online account management tool, Velocity. This allows you to manage all your fuel cards, monitor usage and enables you to download HMRC compliant invoices, reducing your administration burden.

To apply for a free Esso Card™ fuel card please contact your account manager or contact a member of the team today.

KEY BENEFITS

Save money on fuel

Save on average 9.7p per litre on Esso fuel and a fixed saving of 0.4p per litre off Shell and BP fuel.*

Reduce administration

No need to keep receipts, you will receive a weekly invoice and pay via direct debit. Invoices are HMRC compliant, making administration much simpler.

Online account management

Manage your fuel spend using WEX's online fuel card account management system – Velocity. You can order and block cards, monitor usage, and find your nearest fuel station.

Improved cashflow

Payments are taken on a weekly basis by direct debit helping to improve your cashflow.

No card fee

Northgate customers can apply for a free of charge fuel card, making an annual saving of £43 per card per year.

Excellent UK-wide network coverage

Unlike supermarket-only fuel card brands, the Esso Card is accepted at over 3,500 fuel stations across the UK – including Esso, BP and Shell.

Nectar Points

Using the Esso Fuel Card drivers can collect Nectar Points at Esso forecourts when they fill up.

*Data is based on customers average saving of 9.7p per litre from 1st January 2023 to 31st December 2023. Terms and conditions apply.

FUEL CARD

**ACCESS TO OVER
7,700 CONVENIENTLY
LOCATED FUEL SITES.**

Northgate customers can now apply for a free Allstar One fuel card* providing access to the UK's largest fuel card network including all major oil brands and low-cost supermarket sites.

You'll have access to 90% of fuel sites across the UK as well as benefitting from HMRC compliant invoices and monitoring spend through an online account management dashboard.

Does your fleet include Electric Vehicles?

Allstar One Electric is a combined fuel and electric charging card. The card provides access to all the sites available through the Allstar One card with the added ability to pay for your EV charging from a single card.

KEY BENEFITS

Improved driver efficiency

Access to over 7,700 conveniently located fuel sites, covering 90% of the UK.

Reduce administration

No need to keep receipts, you will receive a weekly invoice and pay via direct debit. Invoices are HMRC compliant, making administration much simpler.

Fuel savings

Save on every litre when you fill up across Allstar's Discount Diesel network. Depending on the location savings of 2p, 5p and 10p per litre can be made across 1,500 participating sites.**

Monitor spend

Stay in control of spending with a 24/7 online account management dashboard with visibility of all card spend and the ability to control your spend amounts.

Support

UK based customer service and account managers.

*Terms and Conditions apply. Subject to credit check. The Allstar One card is free for Northgate customers for the first 12 months from the account opening, then £6 per card per year thereafter. Please note Allstar may discuss other products/services with you.

**Savings on diesel can be made at selected Discount Diesel sites on the network when the card is swiped. Different fuel pricing options are available to suit your needs. After 6 months of using the Allstar One card a transaction fee will apply.
